

## SOUP KITCHEN : 7,424 SETS OF FOOD DISTRIBUTED

For the month of February, despite fewer volunteers during Chinese New Year weekends, our food distribution activities ran smoothly, ensuring our clients had the support they needed. Our dedicated team worked tirelessly, delivering meals through the quiet streets, reaffirming to our clients that they're not alone, especially during the holidays.

We extend heartfelt thanks to all volunteers for their unwavering commitment. Your dedication goes beyond food distribution; it makes a meaningful difference in the lives of those we serve!

## MEDIC: ATTENDED TO 64 STREET CASES

Medical situations such as wound dressings remain to be one of our medic team's main focus. Gangrene situations faced by some of the regular clients warrants ongoing care, which have so far shown little improvement. Clients have been reminded to continue personal wound care efforts to prevent further deterioration. On the other hand, there was a notable increase in requests for inhalers amongst the regular clients. As such, we are appealing for donations of more inhalers for our medical inventory.

## WELFARE: 17 CASES ATTENDED TO

Medical follow ups were on the higher side compared to previous months, leading to multiple trips to medical facilities for immediate care. Amongst all urgent cases attended to, there's good news for both Uncle K and Pakcik M. Uncle K's condition is now stable and he has been attending to his routine care regularly. Pakcik M's progress is promising, as he recently got hold of his medical referral letter and reports, which brings him closer to receiving much needed financial relief.

A big thank you to the dedicated support of medical professionals and welfare officers! Our goal to help Pakcik regain his health and financial stability remains on track.

## FOOD BANK : 810 DRY FOOD PACKS DISTRIBUTED, 29,187.83 KG SURPLUS FOOD RESCUED

This month, our journey is fuelled by the remarkable organisations and individuals who have stepped forward to make a difference in the lives of the people that KSK Society is serving. A special thanks to SWIFT for donating preloved laptops, TDCX and Tenby School Penang for donating food raised from their self-initiated food drives while Messrs Dickson together with his friends, Heritage Food, Lifework HR Services also contributed their own way to help support our good work.

Our food bank team also participated in Global Foodbanking Network's (GFN) inaugural Food Safety Training Programme together with our sister food banks across South-East Asia, with an aim to further enhance our current practices to match with international standards which is necessary to better serve our food bank recipients.

Speaking of recipients, we were also delighted to see families in Kota Kinabalu receiving their food supplies just before Chinese New Year. Special shout out to the team for working ever so hard to provide much-needed relief to families facing food insecurity. Once again, we are reminded of the power of collective kindness and the impact it has on the lives of those who need it most.

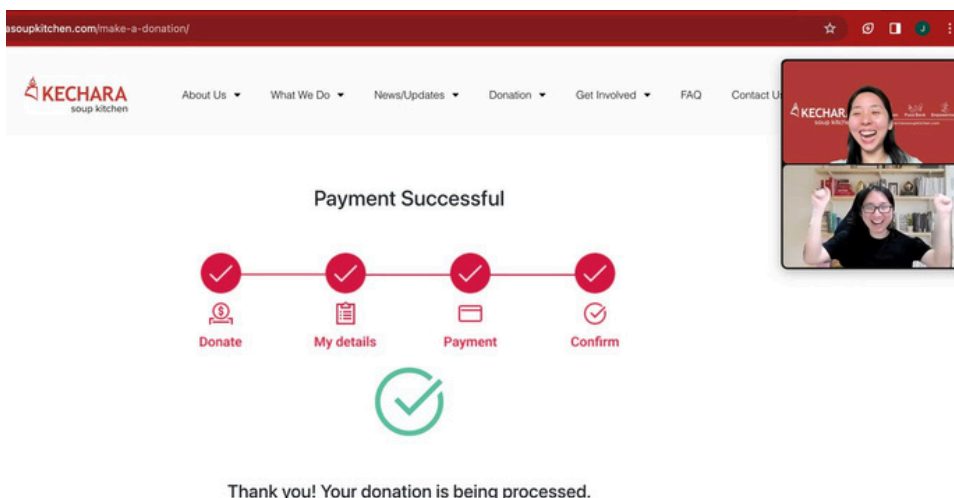

## EMPOWERMENT: 216 TUBS & 1,337 SETS COOKIES PRODUCED FOR CNY

Our fundraising drive for School Mission 2024 exceeded expectations, ensuring over 1,200 Orang Asli children will receive their school supplies and bags this March. We extend our gratitude to Menara IQ for their contribution of 129 sets of school bags and stationery sets through their recent drive for School Mission 2024.

Meanwhile, discussions were already underway with partners to initiate cookie products for upcoming Ramadan. We are very hopeful that these latest exciting initiatives will be very beneficial to everyone involved. Stay tuned for more updates in our upcoming edition!

## EVENTS

Our donation page is now live! Thanks to a volunteer, and payment gateway company, Curlec, for facilitating the setup process. You can now easily contribute either one-off, or on a monthly basis! Scan the QR Code and be one of our regular monthly donors today!
