

SOUP KITCHEN : 8,206 SETS OF FOOD DISTRIBUTED

This May, KSK proudly partnered with Uncle Joshua, whose generous contribution of hot meals has been a beacon of hope for our Soup Kitchen beneficiaries. Despite challenges like supply chain disruptions and rising costs, his support, alongside the dedication of our volunteers delivering the meals, has ensured that no one in our community goes hungry. Every meal served reflects the resilience and compassion that define our work. We are deeply grateful for the support that enables us to continue making a positive impact, one meal at a time!

MEDIC: ON STREET CASES ATTENDED TO: 162

Work is underway to further enhance our digital database, streamlining tracking and case management to better support our medical team. This digital advancement will not only improve our efficiency but also strengthen our connection with the community, enabling us to provide even better support to each of our clients.

Meanwhile, our street team remains unwavering in their commitment, braving heavy rain to ensure our services reach those in need. We're proud of their resilience and dedication as they work tirelessly, rain or shine, to make a difference.

WELFARE: 12 CASES WERE ATTENDED

In May, many of the cases we attended were follow up cases carried forward from the previous month. One of the highlights of the month was helping Mrs. S with a brand new pair of spectacles. Thanks to our Client Case Officer, Krishnan, we were able to assist Mrs. S in going through the eye check process. She was incredibly grateful, as she could not afford it herself. This has helped her in her work efficiency tremendously. As ophthalmology cases remain the most common, we are committed to addressing them with care and diligence, working towards providing steady assistance to those in need. Your continued support helps us make a meaningful impact in improving lives every day.

FOOD BANK : 889 DRY FOOD PACKS DISTRIBUTED

39,566.49 KG SURPLUS FOOD RESCUED

As May graced us with its warmth, sunny days, and the occasional afternoon showers, we saw a slight increase in surplus food donations. Our operations remained as robust as ever, reaching out to those in need. We experienced an outpouring of generosity that had a profound impact on our community. A special mention goes to Enya Technologies for their thoughtful donation of 1,000 sanitary pads. This contribution is more than just a gesture of support; it addresses a crucial aspect of hygiene that many of our recipients rely on, something that many of us might take for granted.

In addition, KL Hilton has made a generous donation of dry food to our food bank recipients. This contribution helps us continue our mission of providing nutritious sustenance to those in need. Furthermore, our ongoing efforts to rescue and redistribute surplus food have been successful, reaching many beneficiaries! We are forever grateful to all of our volunteers for helping out!

EMPOWERMENT: 112 TUBS & 9 SETS COOKIES PRODUCED

Back by popular demand, we are excited to partner again with Mei by Fat Spoon and Whimsigirl for their special Eid cookies edition, which has exceeded expectations so far! We're grateful for the continued support and thrilled that our bakers can earn extra income fulfilling Hari Raya orders.

Additionally, their work opportunity will be extended until the end of June, with exclusive Mother's and Father's Day cookies available for orders. Don't miss the chance to celebrate your loved ones while supporting a great cause. Your involvement truly makes a difference, and together, we're making an impact.
