MARCH 2025

FOOD BANK

We are thrilled to share the success of the recent Food Drive in collaboration with Ambank (M) Berhad. A total of 6.500 kilograms of food was donated, reaching 310 registered families across our network. This monumental effort would not have been possible without the commitment of 400 dedicated volunteers who came forward to deliver the food packs. Their participation ensured that essential provisions reached families in need swiftly and with care.

In addition, our partnership with FAMA and Pasar Tani under the Kongsi Rezeki, Beri Harapan initiative continues to flourish. This programme aims to reduce food waste by encouraging the public to donate surplus fruits and vegetables, which are then distributed to the asnaf, B40 communities, and welfare homes. Members of the public can support this cause by purchasing fresh produce at Pasar Tani Sri Rejang and Pasar Tani Taman Melawati, and placing their donations in the designated collection racks. This initiative offers a simple yet impactful way to support local farmers while also extending a helping hand the underserved.

Moreover, as part of the Sunway Ramadan Collaboration, KSK Society had the pleasure of assisting in the preparation of dry food boxes, which were then delivered to designated locations for distribution. We extend our heartfelt appreciation to the Sunway team for taking the lead in delivering these food boxes directly to beneficiaries. Their dedication and teamwork helped ensure that essential support reached families in need during the holy month of Ramadan.

EMPOWERMENT

This festive season saw overwhelming support for our Raya cookies initiative. In collaboration with Mei by FatSpoon, we successfully sold 600 boxes of cookies featuring Earl Grey Pistachio and Black Sesame Chocolate flavours. In addition to that, 744 tubs of our inhouse Raya Cookies were also sold. The proceeds from these sales directly support our empowerment programmes, and we are deeply grateful to all who purchased with purpose.

We also continued our efforts to uplift Orang Asli communities through education outreach. Many Orang Asli children still face barriers to quality education due to geographical, financial, and infrastructural challenges. At KSK Society, we remain committed to supporting the United Nations' Sustainable Development Goal 4: Quality Education. Through our various initiatives, we provide school supplies, mentorship programmes, and learning assistance to ensure that these children are not left behind. Education is a vital pathway out of poverty, and we believe that every child deserves the opportunity to learn, grow, and thrive.

MEDIC: 178 CASES ATTENDED

The unpredictable weather over recent weeks has led to an increase in medical concerns among our street clients. Our medical team attended to 178 cases, the majority involving wound dressings, fever, and respiratory conditions. Their unwavering presence has been crucial in ensuring timely care and comfort for those with limited access to healthcare.

WELFARE: 4 CASES WERE ATTENDED

On the social welfare front, we are pleased to share a success story of a client who was successfully placed in a shelter. She expressed heartfelt gratitude to our staff and volunteers for assisting her in finding a safe and comfortable place to stay. These moments remind us of the importance of consistent outreach and the positive change it can bring.

SOUP KITCHEN: 8.460 MEAL SETS DISTRIBUTED

Meanwhile, our weekly food distribution continued in full force. With support from Burgers & Lobster, we were able to distribute cooked meals and drinks to our street clients, ensuring they received nourishing food served with kindness.

EVENTS

On 15 March 2025, KSK Society was honoured to attend the Majlis Berbuka Puasa with Lifebuoy and Watsons at Imyra Venue, Titiwangsa—a heartwarming evening filled with good food, laughter, and community spirit. Our beneficiaries enjoyed a festive buffet, fun children's activities, and a lively performance by Nizam Jentik Jentik, who delighted the crowd with teka-teki and duit Raya surprises. Thoughtful gifts including care packs, kitchen appliances, and festive treats added to the joy. We extend our sincere thanks to Lifebuoy, Watsons, and our representatives, Krishnan and Selladurai, for making the event truly meaningful.

Not to forget, our commitment to reducing food waste and feeding the hungry continued through our Zero Food Wastage initiative. Over the recent period, we successfully rescued 2,881 kilograms of surplus food with the involvement of 26 participating hotels.
